

Hello members!

We have news for you.

This December, CJMP is Townsite Brewing's non-profit of the month. We'll be at the Townsite Brewery on Friday, Dec. 11, from 5 p.m. – 7 p.m. Come say hello.

For every growler fill at the brewery, \$1 will go toward CJMP, your member-owned Powell River community radio.

We are over halfway toward our goal (\$9,000 of \$16,000) to moving our tower to a higher transmitter. The move and slight upgrade will triple our local listening area. Thanks for your continued support.

GIFT IDEAS!!!

Looking for a zero-waste and an affordable gift idea that will stay in the community? Send your loved one a thoughtful [e-card and gift membership](#) for as low as \$5 per month. Help sustain community radio!

And please welcome the 2015-2016 Powell River Community Radio Society Board of Directors, elected at the recent AGM.

Volunteer of the Year was Don Mitchinson and Programmer of the Year Giovanni (Rabideye) Spezzacatena.
